

REMARKS

Applicants appreciate the examiner's review of the prior art and for finding the claims allowable in view of the cited prior art. However, Applicants have recently discovered new art. Accordingly, Applicants submit herewith a request for continued examination and an information disclosure statement citing the newly discovered art prior to payment of the issue fee.

Applicants believe that the pending claims are allowable over the newly discovered art and, therefore, have not amended the claims herewith. Accordingly, Applicants request reconsideration of the pending claims in view of the newly discovered art.

All pending claims therefore are allowable over the cited art. The application therefore is in condition for allowance and such action is earnestly solicited. Applicants do not believe that any extension of time is required. However, if any extension of time is required, please charge the associated fees to deposit account number 19-4972. Additionally, please charge any additional fees required by this paper or credit any overpayment to Deposit Account No. 19-4972. Applicants also request that the examiner contact applicant's attorney, Jonathan C. Lovely, if it will assist in processing this application through issuance.

Respectfully submitted,
